Excerpt from [Title 175 Chapter 18](#)

**18-003.03 Reinstatement from Lapsed Status:** A facility requesting reinstatement of its lapsed license must submit to the Department an application for reinstatement and pay the required licensure fee specified in 175 NAC 18-004.10. The application must conform to the requirements specified in 175 NAC 18-003.02.

*18-003.03A* The Department must review the application for completeness and must decide if an onsite inspection is needed to determine compliance with the physical plant and the operation and care and treatment requirements of 175 NAC 18-006 and 18-007. The decision is based upon the following factors:

1. The length of time that has transpired from the date the license was placed on lapsed status to the date of the reinstatement application; and
2. Whether the facility has provided care or treatment from the site under a license that is different than that of the lapsed license.

*18-003.03B* When the Department decides that a reinstatement inspection is warranted, it must conduct an inspection in accordance with 175 NAC 18-005.

*13. 18-003.03C* When the Department decides that a reinstatement inspection is not warranted and that the application is complete, it must reinstate the license.

*18-003.03D* Refusal to Reinstate: See 175 NAC 18-008.01 and 18-008.02 for grounds and procedures for refusal to reinstate a lapsed license.
